

Softball / Baseball

Registration:
April 3rd thru May 12th
Season will run:
June 5th thru July 21st

Our baseball and softball programs are designed to teach kids basic play of baseball and softball. Teams will play two days a week. They will be instructed on catching, throwing, base running, positioning and hitting. Score will be kept in all grades. At least the top team in each league at the end of the season will advance to the Weber County Tournament. Players may sign up individually or as a team. We have team packets at the recreation office. Players who sign up individually will be assigned according to school as much as possible. The earlier you register the better the chances that we will be able to fill your personal requests.

Co-Ed T-ball Information

Registration:
March 13 thru April 10

Season Will Run:

May 8th thru June 30th (tentatively)

Our little league T-Ball program is designed to instruct the players on all aspects of baseball: catching, throwing, base running and hitting. Score will not be kept in any of these leagues. Our goal is to make sure every kid has a positive and fun experience. We are starting the season earlier. Practices and Games will start before school gets out! They will start in May which means registration will be earlier this year (April). So please come in and sign your kids up early! We are letting parents choose what league they want their child to play in. These leagues are for kids 4 years old up to 3rd grade. Remember parents will choose the league they want their child to play in and that will be the rules the kid will play by all year.
