

Chick and Rabbit Ordinance

Chickens and Rabbits are now allowed in all R-1 single family zones. The property must have a minimum of 8,000 square feet. Six chickens (excluding roosters and crowing hens), or six rabbits, or a combination of chickens or rabbits not to exceed six are allowed. A City permit is required and renewed annually. The annual fee is \$15.00 and an inspection must be permitted when deemed necessary by the City.

All chickens and rabbits shall be contained within the rear yard in an enclosed coop and run. No enclosures are permitted in the front or side yards.

For more information on the regulations and permit please visit our website at www.royutah.org or call 801-774-1040.
