ROY DAYS

**JULY 30TH -
AUGUST 6TH**

MESSAGE FROM THE COUNCIL

ROY DAYS 2016

We are happy to invite you to participate in this year's Roy Days celebration! Please note that we have LOTS of additional parking! If you access a dirt road off of 4000 South near the tracks you will see signs leading you to a large parking area; from there you can access the Denver and Rio Grande Trail and walk right to the park. The walking distance is less than 200 feet. We will also have an additional parking area directly west of the Skate Park (4600 S. 3000 W.). You can also access this parking area from 3100 W. and 4552 S. There is 8 acres of land to accommodate parking at this location.

We are also excited about our new all-inclusive Roy Days Website. You can access all kinds of information by visiting www.roydays.info. Please also watch for updated and more information on our Facebook Page.

We encourage you to join with your family, friends and neighbors and participate in the fun-filled activities that are planned and look forward to seeing you during this year's celebration.
