

Roy City

Where past, present and future come together

A community where the people are resilient and vibrant, where life-long residents and visitors alike feel they are part of the same tight-knit family.

Where citizens and community work in partnership with businesses to support and enhance the city's economic base, learning opportunities, recreational opportunities and personal enrichment.

Roy City is a place people are proud to call home, a place where each generation works to pass along to their children the sense of safety and comfort provided by their parents. It is a place where the past, present and future come together.

Vision Statement

Roy City is a vibrant, affordable, economically and ethnically diverse, progressive city where citizens feel safe, enjoy their neighborhoods and access their city government.

Mission Statement

The mission of Roy City is to provide residents, visitors and the business community with the highest quality municipal services in an efficient, courteous manner and to enhance the quality of life through planning and visionary leadership.
